UNITED STATES OFFICER.—Cap*. G. W. McLean, member of the New Jersey Legislature, late of the United States Navy, has kindly sent us the following certificate.

It tells its own story : Rahway, January 25, 1847. A year since I was taken with the influ nza and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after tak ng two or three bottles I was very much relieved, and attribute king it, and find that I improve every day. I believe it saved my life, and would not be without it under any onsideration.

G. W. McLEAN.

THE FDITOR — John Jackson, Fsq., Editor of the Rahway Republican, published the above certificate, and remarked in an editorial as follows:

The success of Dr Townsend's preparation of Sarsaparilla appears to be of t'e most extraordinary character. We publish to-day two certificates in its behalf one from Capt. McLean, of thi town, and one from Rev. Mr. White, of Staten Island, a gentlemen well known in Rahway —Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an eually strong confidence in its efficacy Intelligent men like these would no praise so s rot gly what they did not fully believe to descree it.
